

Erasmus+: Erasmus Mundus Joint Master Degrees

Erasmus Mundus Joint Master Degrees (EMJMD) aim to:

- foster QUALITY improvements, INNOVATION, EXCELLENCE and INTERNATIONALISATION in Higher Education Institutions (HEI);
- increase QUALITY and ATTRACTIVENESS of the EHEA – supporting EU EXTERNAL Policy in the higher education (HE) field, by offering full degree scholarships to the best Master students worldwide;
- improve the level of COMPETENCES and SKILLS of Master graduates, in particular their relevance for the LABOUR MARKET, through an increased involvement of employers.

An Erasmus Mundus Joint Master Degree is a high-level integrated international study programme of 60, 90 or 120 ECTS, delivered by an international consortium of HEIs and - where relevant - other educational and/or non-educational partners with specific expertise and interest in the study areas/professional domains covered by the joint programme. The programme must include a mandatory study period in at least two different Programme Countries (EU 28 + EEA, MK, TK) and the successful completion must lead to the award of either a joint degree or multiple degrees.

EMJMD main principles:

- Very **high selectivity** of the EMJMDs: only excellent joint master programmes will be selected and funded;
- Implemented by consortia of **fully recognised HEIs**, in the EU and (where relevant) in Partner Countries;
- **Full scholarships** for the best master students worldwide with a priority on non-EU students (**a minimum of 75 % will be earmarked for students from Partner Countries**);
- Support to **invited scholars (/guest lecturers)** contributing to the EMJMD teaching/training/research activities;
- **Joint degrees** encouraged but not mandatory (**double/multiple degrees still eligible**);
- Focus on the **socio economic environment**, the **employability** of graduates and the **sustainability** prospects of the EMJMD;
- Focus on the excellence of the selected EMJMD through a **strengthened selection** and **monitoring procedure**;
- **Centrally managed** in Brussels by the Executive Agency.

Taking part as an organisation

- EMJMDs are open to **any public** or **private organisation** located in Programme or Partner Countries
