

## **Cultural connections – how to build intercultural relationships**

### **Objectives of the BIP:**

The BIP is hosted by Radom Academy of Economics and it's targeted for students from Bachelor and Master degree. Participants will better know how to define culture and explain its influence on personal and professional relationships, understand the role of verbal and non-verbal communication across cultures, overcome language barriers and cultural misunderstandings. Students will also develop effective communication strategies that are respectful and effective when engaging with individuals from diverse cultural backgrounds.

### **Learning outcomes:**

- understanding culture and its impact
- developing intercultural communication skills
- enhancing cultural awareness and sensitivity
- building trust and meaningful relationships
- working effectively in multicultural teams
- applying cultural competence in real-world contexts
- learn leadership strategies that are effective in multicultural teams

### **Where?**

Akademia Handlowa Nauk Stosowanych w Radomiu (Radom Academy of Economics: Radom, Poland)
